Context : The new resident Radha confirms from another person nearby if it is Nikoo1. She enquires if the outlet on the farther side is a shop. The other person indicates that the outlet on the farther side is a club house, while the outlet near to them is the shop. Radha then goes to the shop and asks for milk. The shopkeeper says that there is no milk, but curd is available. The shopkeeper asks Radha for the quantity of curd packet she wants. Radha buys a litre of curd and enquires the price. The shopkeeper informs that it costs Rs 20. Radha pays Rs. 20 to the shopkeeper.
